

STUDENT TRANSPORT ROUTES 2019/2020

Accessing local education and training can often be a challenge for some of our young people due to the high costs of travel. We have decided to offer subsidised travel on all routes for the 19/20 academic year, to enable the young people of North Shropshire to access education and training at their local college. Travel remains free on all routes where students are eligible for a travel bursary. A new zoning system for passes has been introduced as follows:

Within 4 miles of any NSC campus to be attended - £350 per academic year

Within 5-15 miles of any NSC campus to be attended - £450 per academic year

Over 15 miles from any NSC campus to be attended - £550 per academic year
